# Jordan Doczy
Dayton, OH 45419
hello@jordandoczy.com

Senior iOS Developer

A digital professional with over 18 years of experience in roles ranging from Lead Developer to Director of Creative & Digital. My passion for technology and digital applications has led me to focus on a career in software development. Along with several years of programming experience I bring a firm understanding of project management, budgeting, resource management, project-lifecycle, SCRUM/AGILE methodologies, Design-Thinking, and overall best practices.
